

The entire page is framed by a decorative border. At the top, a light brown scroll-like banner curves across the width. Below it, a cluster of purple and yellow pansies with green foliage is positioned on the right. The left and bottom edges are also adorned with similar floral arrangements. The background is a dark green field scattered with small, colorful confetti dots in shades of blue, yellow, and red.

LECTURE

DATE

On 16th May, 2023, Dr. Reena Uniyal Tiwari, Associate Professor D.A.V. P.G. College Dehradun came to D.W.T. College, Dehradun and she spoke a special lecture on "Diversity in school systems in India - Various boards of school education". As the timing for the lecture was from 9:30 AM to 10:30 A.M. So, all the B.Ed (1st semester and 4th semester) students visited to the college campus at the right time and taken their seats and all were very excited for the lecture as it was based on the diversity in school systems in India. Firstly, Dr. Subasini Srivastava ma'am welcomed our guest and told all the students about the achievements of ma'am and what topic she wants to share with us.

Dr. Reena Uniyal Tiwari ma'am used to be talked in a very friendly manner and also all the students listened her very carefully. She told us about the different techniques of teaching in schools and also the different methods applied by teachers and all the skills used in teaching. She told the students that there was a very diversified school patterns and systems in India so how to tackle these students and maintain the discipline and praised the students.
