11.05.2023

## Agenda of 9<sup>th</sup> AC meeting

Briefing of the proceeding of Last 9<sup>th</sup> AC meeting.

To discuss about the add on new courses.

To discuss about roadmap for NAAC SSR preparation.

Any other matter with the permission of chairperson

IQAC external meeting was held on 11.05.23, at college campus.

Dr. Suhagini Srinastava convener of the IQAC presented the proceedings of the last meetings.

Dr. Paritosh suggested in the meeting to approach the ICICI foundation which will provide funding

for the solar lights, rain water harvesting, <sup>activities for</sup> women's health and hygiene.

They suggested for e-library and also for fund generation from the various structures for green energy etc.

Dr. S.K. Padaliya suggested the members to focus on the placement of the students and work of the career counselling cells. Rather than focussing on the infrastructure focus on the other criterions of NAAC. Go for maximum output on the minimum infrastructure - Documentation should be proper, that will be physically verified. Whatever the asset is of the institution that should be utilised.

The data which was uploaded earlier in the AQAR submitted can be modified now.

Dr. S.K. Padaliya had showed the various policy documents which was required for the NAAC and shared with members.

Documentations should be according to the 55 questions, data related to it has to be submitted online and also to be verified.

When discussion on the add-on courses, it should have a MOV with the Govt recognized bodies.

It was discussed that MOV is mandatory for the NAAC so the institution must have MOV's with govt. institutions.

Dr. Rina Uniyal told that whatever the shortcomings were there in 2004 Naac one must see that that should be resolved first.

Dr. Usha Pathak suggested various methods of fund generations from various philanthropists.

Dr. Anil Pal suggested that SSR should be prepared well before on time and the faculty should gear up for there.
